

CITY READY TO PLACE 200 LIGHTS

Eight More Posts Added to Program Before Finally Adopted.

After providing for lights on North Jackson street as far north as the railroad crossing, the council Monday night adopted the 1921 program of ornamental light extensions, calling for the installation of 200 posts. The cost will be around \$15,000. It is believed, or \$2,000 more than the appropriation.

The original program of 250 lights was cut several days ago to 192. North Jackson, from Wall to the tracks, being one of the portions cut. South Jackson from Milwaukee out to Western avenue was another section, at first planned but later postponed.

Alfred E. L. Bader made a plea that the North Jackson program be carried out as originally planned, explaining that it would take but eight more standards. This was adopted, 191 to 1, Alfred W. J. Hill casting the deciding vote.

Alderman Hill voted "No" emphatically after his resolution to put South Jackson street back in the 1921 lighting program had been killed. He made a plea that the city be allowed to pay for paving and are entitled to lights. His amendment that 31 more lights be provided to light up South Jackson was lost by the following vote:

Ayes—Helms, Hill, Horn and Traver.

Noes—Badger, Dulin, Kelly, Kerstel, McNeely, Ramson.

The program was finally agreed upon gives the west side 153 lights and 47 to the east side. It was voted to enter into a contract with the electric company for operating the system and to get bids on the posts.

WANTS MORE LEGUMES.

More legume culture has been ordered by County Agent E. T. Glascock to meet the demands of the Rock county farmers. The first received from the department of agriculture of the university has been distributed.

VOCATIONAL SCHOOL VACATION.

The spring vacation in the vocational school will be observed at the same time as that in the other city schools. Supt. J. M. Carran has announced that the school will start Thursday morning and continue until the Thursday following Easter. Night school will also be discontinued for a week, there being no classes on Thursday next Tuesday, March 22.

Millions Use "Gets-It" For Corns

Stops Pain Instantly—Removes Corns Completely.

Everybody everywhere needs to know what millions of people have already learned about "Gets-It" the

guaranteed painless corn and callus remover. Any corn, no matter how deep rooted, will disappear quickly when "Gets-It" is applied. Wonderfully simple, yet simply wonderful, because it removes corns without the use of any sharp tools or painful surgery.

Get rid of your corn and wear shoes that fit. Dig shoes simply make corns grow bigger. Your money back if "Gets-It" fails. Inside of one genuine. Costs but a trifle everywhere.

Md. by E. Lawrence & Co., Chicago, Ill. In Jansville and recommended by Reliable Drug Co., McCue & Buss, and Smith Drug Co.

TAKES PAIN OUT OF RHEUMATISM

Keep Sloan's handy for backache, strains and sprains, too

SLOAN'S Liniment has been sold for 39 years. Today, it is more popular than ever. There can be but one answer—Sloan's produces results.

Applied without rubbing, it penetrates to the afflicted part, bringing relief from rheumatic twinges, colic, sore, stiff, strained muscles, backaches, sprains, and other external pains, often the result of exposure. It leaves no mucus, skin stain or clogged pores.

Get a large bottle for greater economy. Keep it handy for use when needed. Your druggist has it. Three sizes—35c, 70c, \$1.40.

Sloan's Liniment (Pain Remedy)

A HOME-MADE GRAY HAIR REMEDY

You Can Make a Better Gray Hair Remedy Than You Can Buy.

Gray, streaked or faded hair is not only unbecoming, but unnecessary. Anyone can prepare a simple mixture at home that will darken gray hair, and make it soft and glossy.

To a half-pint of water add 1 ounce of bay rum, a small box of Barbich Compound and 2 ounces of glycerine. These ingredients can be bought at any drug store at very little cost, and the druggist will put it up for you.

Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is easy to use; does not color the scalp, is not sticky or greasy and does not rub off.

Council Sidelights

To Build Driveway.

Permission was given by the council Monday night to the Borer, of company, to build a driveway at its service station at 102 Center avenue. This will tend to better traffic conditions at the Western avenue intersection, it was explained.

Jobs for McKune.

Street Commissioner Thomas B. McKune was instructed to repair Hickory street, Second ward, for one block south of Glen street intersection and to lay an iron top gutter at the corner of Walker and Monroe streets.

Special Police.

W. P. Mason, Edward Harding, Thomas Vogan, Edward Welsh, C. L. McBeth and Fred Mutschler were reappointed special police at the Samsen plant and John Dalton at the High street grade crossing, all without pay from the city.

Another Electric Sign.

Acheson Bader proposed a new electric sign at 19 South River street, were given a permit to hang an electric sign.

Gas Station Applications.

Larson & Blodell were given power to install a gasoline filling station, free air place and a sign at their tire repair shop on Chicago street, between Washington street and the Yungst property. Request for a permit to install a gasoline station at the Xann Tire Shop, 15 North Franklin, was laid over.

When it was suggested that the council must come to a stop sometime.

Edgerton.

The Century club was entertained by Mrs. W. C. Atwell Monday evening. The evening's entertainment program was provided by a dinner on Louise J. Pierce, one of the club members.

Miss Jessie McInnis, an instructor in the schools of Franklin Park, near Chicago, is staying at the Easter Vacation home.

The W. C. T. U. will meet at the committee room at the library at 3 p. m. Friday. All who wish may contribute eggs to the Lookwood hospital in this city.

Mrs. James Sims, Chicago, formerly Hilde Holo, is the guest of Miss Emma Kauffman.

Van Ess Green left for the west Tuesday morning.

The rummage and baked goods sale held Saturday by the Service Star Legion was well patronized, the receipts being nearly \$200.

The building on the farm of Silas Rurd narrowly escaped destruction Saturday when fire from burning brush was carried by the high wind towards the buildings. Enough fire was at hand to save the property without loss.

The M. E. Aid society will meet at the church parlors, Wednesday afternoon.

A. E. Drew of the Edgerton, Barn Equipment Co., is in Richland Center.

Bart Carran has sold his interest in the shop formerly owned by him and will move one door east, where he will continue at present as least to do a general blacksmithing business.

The successors of Mr. Carran, Messrs. Myrland and Werb, will run a general machine and repair shop.

2 Harmony Men Run for Board

James Fanning, farm Bureau candidate for supervisor from the town of Harmony, received the nomination at the town caucus Monday night.

Oppose J. C. Wilson, who is understood to be against the retention of the county agent Joseph M. Campion, clerk, was nominated for re-election as was George Coy for assessor.

James Fanning, clerk, John Gantwas will run for treasurer to succeed Robert Brown, who has moved from the township.

A. J. Warner, present member of the county board of supervisors, will not seek re-election, but will run for assessor instead. This was decided at the town caucus Tuesday when Willis C. Morgan received the nomination with J. C. Wilson as second on the ticket.

W. D. McComb, clerk, was nominated, and S. J. Emerson for treasurer. Warner will oppose J. Killam for assessor.

Hirst Asks Cut in Freight Rates

Reduction in freight rates for road building materials is expected as the result of the application made by A. R. Hirst, state highway engineer of Wisconsin, during a conference at railroad office in Chicago last week.

Such a reduction would materially affect Rock county.

on allowing gas filling stations on paved streets.

Claim Laid Over.

The Jansville Traction company's claim of \$345 against the city for a street-car accident in which a motorist, Ellis McLaughlin, was injured was laid over for two weeks to permit of an investigation by Ald. Louis Kerstel and the judicial committee. The city allowed a gutter to be placed in the path of the street-car, bringing it to an abrupt stop, the street-car company alleges.

No Action on Lots.

Ald. E. F. Kelly asked for further time to consider the offer of Edward Amerphol and Louis Levy to buy from the city three lots in the ravine at the corner of Oakland avenue and Jackson street.

One More Junk Dealer.

A. Wilkowitz, 252 South River, was granted a license to deal in junk until July 1, 1921 and his bond of \$1,000 was accepted upon motion of Alderman Dulin and recommendation of Alderman Hill.

Three Plumbing Permits.

Three plumbing firms were given power to excavate in the streets during 1921 upon licensing bonds as follows: George and Clements, Jorg & Schmidt and A. H. Fuchs.

Reports Received.

The February report of the board of education was ordered published. The regular bills for the month were allowed.

LABOR MUST COME DOWN SAYS BYRAM

(Continued from Page 1.)

try to be overtaken by disaster," declared the president, "but unless operating costs are speedily reduced such a situation may result. At the present time our payrolls and labor costs absorb about 70 percent of our total expenses and therefore if costs are to be reduced it appears that the cost of labor must be reduced proportionately."

"Efforts are being made by most railroads to reach an agreement with their employees to reduce wages," he said, "but without much prospect of success so that the question probably will finally rest with the United States Railroad Labor Board for settlement."

All this will take time and the situation of the railroads is becoming acute. Very few of the railroads are earning fixed charges and many hit-or-miss operations are not making operating expenses.

"Coal and other supplies are coming down and it is difficult to see how labor can escape its share of the general adjustment necessary. Such an adjustment is necessary to us all and I do not believe we can have a general return to prosperity until the railroads are again prosperous."

He pointed out the improvements in facilities and equipment which practically have been omitted during the past five years. "On our road we need 15,000 freight cars and 100 locomotives. Before the war a box car cost about \$1,000 and we borrowed money at 4 per cent, making the carrying cost \$40 a year. Now a box car costs \$2,500 and money 8 per cent, or \$208 per year on a box car. More than five times as much. Multiply this by the 15,000 cars we need and you will see that it will require annual expenditures of at least \$1,000,000 to replace those worn out each year or 375,000 cars during the past three years, while less than one-third of that number have been provided and the amount allowed for growth of traffic."

Discussing freight and passenger rates from the standpoint of the increase in cost of the materials used in the normal business of the country and which is greatly deficient at the present time. Only 20,000 cars were purchased during federal control and none since. There are about 2,500,000 freight cars in the country and assuming a life of 20 years, which is the normal life, it will require 125,000 cars to replace those worn out each year or 375,000 cars during the past three years, while less than one-third of that number have been provided and the amount allowed for growth of traffic."

JAPAN HOPES FOR HARDING'S FAVOR

New Administration Expected to Adopt California Agreement.

(By Associated Press.)

New York.—Eishon Yoshizawa, now in this city, declared Tuesday that while he was in Washington, Count Shidehara, Japanese ambassador, had expressed to him belief that the Harding administration would adopt the Morris-Shidehara agreement in final settlement of the Japanese situation in California.

"The Morris-Shidehara agreement will be satisfactory to the Japanese people, but it leaves unsolved the problem of racial expansion which is pressing."

"The Japanese still look toward the western hemisphere as the only source of expansion for immigration. But contrary to belief in this country they are willing to amputate with the people among whom they settle."

"Japan does not want Hawaii nor the Philippines. The present friction has been greatly augmented by the suddenly increased restrictions on the extensive fortifications being built."

"Frankly, the Japanese people are extremely nervous over the possibilities of aggression from a nation of such power and wealth as the United States. They do not contemplate beginning any trouble of their own accord."

"There is a strong movement in Japan for reduction of armament because the present military and naval expenses consume more than one-third the yearly budget and the people are burdened with heavy taxes. Any action by the United States toward such an agreement would have a hearty response in Japan, but it must originate with your country because of the relative size of the two nations."

GO BACK 53 YEARS IN BOOKS TO GET DATA FOR WOMAN

Records in the office of Frank Smiley, registrar of deeds, were searched today for data dating back 53 years ago to fill the request of a former Jansville woman, Mrs. E. Reed Brown.

The communication was received Saturday by County Clerk Howard W. Brown. Mrs. Brown desired a certified marriage certificate in order that she may apply for a pension. Her husband, George C. Brown, also formerly of Jansville, died in 1914 at the age of 53.

Mrs. Brown was married to George C. Brown in Jansville 53 years ago. Mr. Brown at that time worked in the express company. He went to war with the Union army and after serving returned to Jansville. For a time he engaged in the plumbing business with a man named Watson under the firm name of Watson and Brown. They moved to Iowa and evidently later to Alabama.

"I doubt if there were many people who will remember Mr. and Mrs. George Brown," said the county clerk after reading the letter.

SEEK BIDS NOW ON NEW BAND STAND

Bids for the erection of the new bandstand in court house park will be sought before April 4. The council voted Monday night to advertise for bids to be ready for the next meeting. Ald. Walter Helms, chairman of the public building committee, says the stand will be built in the lower end of the park, just below the Civil war monument.

SUCCESSFUL RALLY.

The weekly meeting at the Y. M. C. A. Sunday afternoon was the best of the season. It was given under the auspices of the Men's Brotherhood of the Methodist church with Dr. F. T. Richards acting as leader. Charles Moore, George Lee, O. E. Townsend and N. Hinds observed 200 short talks on different topics. The men's chorus furnished the music.

BOLT TO BE JUDGE.

The Madison-Ripon debate, which was to have been held Monday at Madison and at which Walter Candy, of the local faculty of the high school was to be a judge, will make it impossible for Mr. Candy to go. Supt. F. O. Holt will take his place.

MARRIAGE LICENSES.

Applications for marriage licenses were made at the office of the county clerk Monday by Ellsworth Hay and Aaron Amanda Erickson, and Tony Piplitone and Rosie Sammartano, all of Beloit.

SENT TO BELoit.

Charles Dulin, 19-year old Jansville youth, was arraigned in municipal court Monday on a forgery charge—that he raised a \$1 check to \$10. After being held in jail he was released to be put in custody of Beloit relatives. He will be given work by them and has been ordered to pay back the first \$3 he earns.

FRUIT TREES.

of all kinds, apple, plum, cherry and pear. Hardy standard varieties.

SMALL FRUITS.

Strawberries, raspberries, blackberries, currants, gooseberries, grapes, and climbing vines, roses.

SHRUBS.

Clematis, peonies, phlox and ornamental trees.

SHADE TREES.

A fine lot of American White Elm, 8 to 10 foot trees, \$1.50 each.

PRICE LIST FREE.

KELLOGG'S NURSERY.

Jansville, Wis. Bell phone 298.

Evansville

Mrs. L. F. Miller, Phone 206-J, Correspondent.

(By Gazette Correspondent.)

Evansville.—The Young People's S. S. society will hold a hard time social and candy pull at the home of Miss Edith Hyne, South Madison street, Thursday evening. A prize will be given to the one wearing the best hard time costume.

Allen Baker was down from the U. W. to spend the week-end at his home.

Mrs. U. G. Miller returned to her home in Milton Junction Monday after a few days' visit here.

Mrs. Will Hyne spent Monday with her daughter, Mrs. A. E. Johnson and family in Jansville.

The Junior Endeavor will have a special from 4 to 7 o'clock Tuesday night on the Congregational church. Supper will be served at 6 o'clock.

Mrs. L. P. Bader and little daughter went to Chicago Tuesday for a visit with the former's parents.

Elmer Uphoff spent Sunday with his parents in Cottage Grove.

Mr. and Mrs. J. W. Christman motored to Clinton Sunday to visit relatives.

Elmer Scherger spent the week-end in Appleton.

Gilbert Amador, Brooklyn, was a business visitor at the Baker Manufacturing plant.

Mr. and Mrs. Arthur Cain motored to Beloit Sunday and spent the day with relatives.

Mr. and Mrs. A. W. Huff spent Sunday with friends in Beloit.

Miss Dorothy Axtell was home from the U. W. for the week-end, accompanied by Miss Isadore Coward.

Mr. and Mrs. A. J. Brown, Arabesque, spent the week-end at the W. S. Goller home.

Dr. and Mrs. John Lemmel and daughter of Albany, were Sunday guests of Mr. Lemmel's parents, Mr. and Mrs. John Lemmel, Sr.

Mrs. Lou Van Wart returned Sunday from North Prairie, where she visited her sister, Mrs. E. O. Evans and family.

Mr. and Mrs. Archie Wywood announced the arrival of a daughter, born March 17.

Seed corn, seed potatoes, timothy and clover, and other extra fine quality seeds are wanted by your neighbors and other people who read the Gazette. Turn your seeds into money through the Classified columns. Telephone if you have not time to write.

MUST MOVE POLES ON NORTH FRANKLIN.

What is going to become of the telephone poles on North Franklin street where brick pavement is to be laid this spring?

Ald. J. J. Dulin asked this question of the council Monday night and recommended that they be moved from their present location in the street, next to the curb. The companies may either remove the poles entirely and put in underground work or move them beyond the curb line and at the edge of the sidewalks.

New Catholic School Among Best in State; Dedication Is April 3

Janesville's most up-to-date school, St. Patrick's Parochial, is rapidly nearing completion, with only the doors remaining to be put in before it will be ready for occupancy and classes begun there.

The school, situated on the corner of Lincoln and Holmes streets in the back of the church, is a fine example of modern architecture. It is a two-story building, with a large, two-story entrance, and a large, two-story tower. The building is finished with white brick, and the interior is finished with white plaster. The school is equipped with all the latest appliances, and the classrooms are large and bright.

Purim Will Be Celebrated

The festival of Purim will be observed by Janesville Jews Friday. They will meet for a religious service at 8 o'clock, and will read the book of Esther. In days of old this reading was accompanied by the unrestricted comments of the congregation on the contents of the scroll. The scroll, which is a record of the Jewish people's history, is read in a loud voice, and the congregation responds with shouts of "Hallelujah." The festival is a time of joy and celebration, and is one of the most important in the Jewish calendar.

NONPARTISANS WIN IN SENATE FIGHT

(Continued from Page 1.)

Sen. Nye, Olson, Ridgway, Severson, Standen, and others, who are nonpartisans, won the fight in the Senate. They defeated the bill proposed by the Republicans, which would have given the government the right to regulate the labor market. The bill was defeated by a vote of 18 to 12.

8-HOUR-DAY BILL IS KILLED IN ASSEMBLY

Madison—The Wisconsin assembly Tuesday killed the American Federation of Labor's bill for a straight eight-hour day in mills, factories, and manufacturing establishments. The bill was defeated by a vote of 18 to 12.

GEN. WOOD TO HEAD PENNSYLVANIA U.

Washington—Major General Leonard Wood, who recently left from San Diego to Jacksonville in 22 hours 27 minutes, establishing a new record for the flight, was named to head the Pennsylvania University. He will be the first to hold the position.

CONDENSED NEWS

Miami, Fla.—Win. J. Bryan today that he was speaking in the past tense at a Y. W. C. A. banquet here when he said with regard to the Philippines, it was learned at the war department.

Chicago—Leaders of the Tenant Protective League are in Springfield to combat arguments of the Real Estate board on the Keating bill to establish city rental commissions.

Home—Burglars belonging to the Russian commercial delegation to study was turned over to the director of customs when it was found to contain many valuables.

Racine—Five young men of Racine were fined \$100 and costs and were fined \$25 and costs, following a raid on the dance above Hollick's, then on Root river. Eva Spaulding, of Reedsburg, Wis., one of the girls in the party raided, was paroled to her sister for one year.

Mrs. Mary Bradford of Kenosha Schools Resigns

Kenosha, Wis.—Mrs. Mary Bradford, superintendent of the public schools since 1919, has tendered her resignation to the board of education, effective June 30.

ONLY 2 YEARS LATE

The workings of the postal department are slow but sure. Two years ago Postmaster J. J. Cunningham made application for a typewriter desk for his secretary, Miss Margaret Reardon. It arrived this week.

SEKES DIVORCE

Alleging that her husband failed to support her and five children, Mrs. Maudie Schanker, Beloit, Monday started suit in the Rock county circuit court for divorce. She seeks a court order for her husband Joseph Schanker and the custody of the children. They were married in Broadhead in 1895.

Words rhyming with Cuba are scarce and the long-suffering public should be thankful.

FRANCE'S GREATEST ACE VISITS U. S. WITH HIS MEDALS

Captain Nungesser and his medals.

Wearing a pound or more of gold, silver and bronze medals, a pilot, bearing the scars of seventeen wounds, Captain Nungesser, famous French "ace," recently arrived in New York. The great aviator, who is credited with bringing forty-three enemy planes down in flames and forcing forty more to leave the air during the war, is visiting the United States under the auspices of the Aero Club of America. He will introduce to the government and to private concerns inventions which he has perfected among them a balloon.

No One Bids for Garbage; New Ordinance?

Realizing that steps must be taken at once to arrange for the disposal of the city garbage before hot weather arrives and that more specific details concerning the disposal are needed by members of the board in order to advertise for bids, the board of health will draw up an ordinance and present it to the city council for passage.

This decision came as a result of a meeting of the board Monday afternoon at 8 o'clock. Dr. E. B. Welch, of the board, said that he had received bids for but none was received. It was decided to look up the ordinances of other cities.

It is expected that the ordinance will specify the kind of receptacles that the household must use, as they must be uniform. It will also name the duties of the one who is to handle the garbage and the requirements for this office.

Lodge News

Laurel Lodge, No. 2, Degree of Honor, will hold a social meeting at 8 o'clock Wednesday evening at Eagles' hall. There will be initiation, followed by a social.

The Royal Neighbors will meet Thursday evening at West Side Odd Fellows' hall. Initiation.

ROLIE WILLIAMS TALK TO HI-Y

A Hi-Y banquet, at which Rolie Williams and Harry Grausnick will speak, will be held at the Hi-Y club, 715 N. Main St., at 6:30 Friday. Williams has gained fame in Wisconsin university athletics. Grausnick is also an athlete. The banquet, while given by the Hi-Y club, may be attended by others.

Walsh and Atterbury Busy in Verbal Sparring

Chicago—Brig. Gen. W. V. Atterbury, vice president of the Pennsylvania line, began today on the stand when Frank P. Walsh, labor attorney, began the fourth day of his cross questioning of railroad officials before the railroad labor board. Mr. Walsh began with questions concerning standards of classification in railroad labor. Mr. Walsh and General Atterbury, without much of the usual session in verbal sparring, a copy of a letter said to have been written by I. V. Gear, general manager of the St. Louis-Columbia division of the Pennsylvania line, even resort to defamation of all labor unions. It is necessary to obtain information of their attitude in regard to proposed wage cuts, was read before the railroad labor board by Mr. Walsh.

Rumanian Queen Denies Plot Against Constantine

Athens—Reports that Queen Marie of Rumania, was working for the destruction of King Constantine of Greece, and the ascendancy of Crown Prince George and his wife, formerly Princess Elizabeth, of Rumania, are without foundation. The queen declared Monday upon her return to Athens from a tour in northern Greece.

C. C. Committee to Washington

With the announcement received here that President Harding is appointing a national commission on the five hospitals for wounded ex-soldiers, the local Chamber of Commerce announces that it will send a committee next week to Chicago to call upon the members of the Great Lakes district and present Janesville's claims.

Dr. Frank Billings, noted Chicago surgeon, will represent the Great Lakes district. The national commission will consist of six members, one from each district, plus a chairman, Dr. William C. White, Pittsburgh. Word to this effect was received here from Senator Irving L. Lenroot over the long distance telephone.

In an endeavor to get Dr. Billings on the phone at his Chicago home, the Chamber was informed that he departed Monday night for Washington to confer with the president. The commission will consist of six members, one from each of the five districts, and a chairman.

The local committee will be appointed within the next few days. Word has been received here that Lake Geneva has been added to the four other cities seeking to get the hospital.

POLICEMEN TESTIFY BEFORE U. S. JURY

Four Janesville policemen left Monday night for St. Louis for appearance before the grand jury Tuesday in two local liquor cases against James Stewart and John Butler.

Those who went: Chief Morrissey, Con O'Leary, Charles Handy and Harvey Ward and Merton Miller, took charge of headquarters in their absence.

Civil War Vet, Shot in 1863, Coughs Up Bullet

Laurel, Ala.—W. V. Meadows, 78, veteran of the Civil war, and shot in the eye at the battle of Vicksburg July 1, 1863, has coughed out the bullet and is in his usual good health, despite the fact that he had carried the slug weighing approximately one ounce, in his head for 55 years.

Mrs. Schumacher Dies at Home in Footille

(By Special Correspondent.)

Footille, Wis.—Mrs. Henry Schumacher died at her home here early Tuesday morning. She is survived by a husband and seven children, three boys and four girls. The funeral will be held at 2 o'clock Thursday afternoon at the Christ church.

State Stock Men Here, Wednesday

A state meeting of the Wisconsin Livestock association will be held at the West Side Odd Fellows' hall at 2 o'clock Wednesday afternoon under auspices of the Rock County association, which has perhaps the largest number of members in Wisconsin. Delegates are expected from every county in the state where shipping associations have been formed.

SMALL TURN OUT FOR REGISTRATION

Janesville took but little interest in registration day Tuesday, most of the voters apparently going on the supposition that their names would be copied on the new registry from the old poll lists. This was done, in all wards where the residence of voters was assured.

Up until noon it is estimated less than 200 had visited the polls. Elections may register up until 8 o'clock Tuesday night. Registration is not necessary for voting at the election, two weeks hence.

DO YOUR BANKING WITH THE ROCK COUNTY BANKS OF JANESVILLE

What Andrews Said

Mr. C. J. Andrews is a successful manufacturer of hardware. He began forty years ago without any money and has built up a fine business.

A young man who was determined to win success went to Mr. Andrews some time ago for advice. He wanted to learn the secret of his success.

"The best advice I can give you, my boy," said Mr. Andrews, "is to make friends as soon as you can with a good banker and then tell him all about your plans and problems. Your banker can be worth a great deal to you but he must be treated fairly—he must not try to work in the dark."

"And when the time comes that you need a lawyer, you should follow the same plan with him. The man who counsels often with a good banker and a good lawyer will not make many serious mistakes."

Does that strike you as advice?

FUZZELL & NEILL

The Big Town Round Up

Continued from yesterday

"Clay ain't one of the common run of cowpunchers, ma'am. You bet you. By jolly, he ain't. Clay owns a half interest in the 23rd Avenue. Of course it ain't what he's got, but what he is that counts. He's the best darned plumb ever I did see."

"He's all right, Johnnie," the girl admitted, with an odd little smile. "Do you want me to tell him that I'll be glad to drop our family friends to meet his approval? I don't suppose he asked you to speak to me about it, did he?"

"The little range-rider missed the irony of this. 'No, ma'am. I just butted in. Mobbe, I hadn't ought to be speaking to you.'"

The frank eyes of the girl met his fairly. A patch of heightened color glowed in her soft cheeks. "That would have been better, Johnnie. But since you have introduced the subject, I'll tell you that Mr. Lindsay and I are friends. Neither of us has the slightest intention of being anything more. You may not understand such things."

"No'm," he admitted humbly. "I reckon I'm a plumb idiot."

His attitude was so dejected that she couldn't feel bad. Johnny. There's no harm done—if you don't say anything about it to Mr. Lindsay. But I don't think you were intended for a matchmaker. That takes quite a little finesse, doesn't it?"

The word "finesse" was not in Johnnie's dictionary, but he acquiesced in her verdict.

"I reckon, ma'am, you're right."

CHAPTER XVII

Clay Reads and Admires Answers to

Clay was sitting at the lunch table on Sixth Avenue, and in order to lose no time—of which he had more than he knew—he went to work with a vengeance, reading a newspaper propped against a water bottle. From the personal column there popped out at him three lines that caught his attention:

If this meets the eye of C. L. of Arizona please write me, Box 3421, The Herald, Am. in trouble.

Kitty M. He read it again. There could be no doubt in the world. It was addressed to him, and from Kitty. While he ate his one half spring chicken Clay milled the situation over in his mind. She had been on the lookout for him, just as he had been searching for her. By good luck her shot at a venture had reached him. He remembered now that on the bus he had casually mentioned to her that he usually read the "Herald."

After he had eaten, Clay walked

Musician Out of Tune

"Gas pressure in my stomach sometimes distressed me so that I could not think. I played out of tune and twice lost my position. No medicine helped me and I became disheartened. Another musician advised me to try May's Wonderful Remedy, and I am now enjoying the best of health. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. People's Drug Co., and druggists everywhere."

DODD'S KIDNEY PILLS

"After long suffering with kidney trouble, I decided to try DODD'S KIDNEY PILLS. The first box helped me greatly. Am now feeling on the second box I shall go out of my way to tell of the wonderful benefits derived."

SCHOOL STUDY SPORTS

THOUSANDS OF SMALL PHOTOGRAPHS MAKE A MOVING PICTURE FILM.

(A "Why" Article)

When the motion picture came out a few years ago it was such a novel, fearful thing that nearly everybody took the trouble to find out why the figures in the pictures moved. This was not difficult then because there was a very noticeable flicker in the pictures and the secret was easily guessed. But today, with the movies so highly developed, it is more difficult to forget it out.

A motion picture film is a series of small photographs about the size of a speck, taken at an instant apart. They are cast upon the silver screen rapidly one after another, and the reflection melt into one picture, and the figures are made to move.

Long thin photographs are made on a long strip of celluloid called a film. It is wound on a big metal wheel, or reel. Thus, when we say a motion picture is a six reeler, we mean that six reels of film are used in presenting it.

A motion picture camera is a complicated affair. In it are two film reels, something like those in our own little cameras, but with a crank and shutter. The camera also has a lens in photographing the colors the cameraman turns the crank. This interest but said nothing. Failing to get the proper response after repeated efforts, he turned away somewhat disgusted, muttering "nobody home."

Mrs. Myles: "What beautiful snuff boxes you have in your collection of antiques!"

Mrs. Styles: "Yes, they were collected from my great-grandmother."

"Oh, no; only snuff boxes."

DOLLAR IDEAS

Backyard Gold Mine

Did you ever stop to think that around about this time of year there might be some money in your neighbor's backyard, just waiting for you to come after it.

The winter's ashes, dumped near the alley, ought to be hauled away now that spring is here.

All that paper in the corners of the fence should be cleaned over the whole yard should be raked over thoroughly, and the trash burned in a bonfire. Perhaps a little reward should be given here and there.

Go to Mrs. Smith and Mrs. Jones and the other neighbor ladies and tell them this. Make them a favor, and they will be glad to help you. Do a good job and you probably will be able to get orders from the same neighbors to do the lawns when summer comes.

A FAMILIAR QUOTATION

(Who said it?)

I would rather be right than be President.

Answer: Peppercorn, a bust of Pallas, just above my chamber door, Perched and sat, and nothing more. —Edgar Allan Poe, "The Raven."

TODAY'S GREAT PERSON

March 22—Your Birthday?

Joseph Saxton, American inventor, who, as a boy of 13, made a clock which was placed in the bell of Independence Hall, Philadelphia. Born Friday, March 22, 1799, in Pennsylvania. Died in Washington, D. C. during October, 1873. He gave to the world many ingenious devices.

Has It Ever Happened to You?

When you have studied hard all night, and get your lesson right, who calls upon you to recite? Nobody.

Preserve Egg-Shell?

Egg-shells may be kept for ages if they are not exposed to violence.

Girlhood, Maidenhood, Motherhood

Minneapolis, Minn.—"Before my marriage I was in a frail condition of health. My mother-in-law suggested that I use Dr. Pierce's Favorite Prescription. As I had not improved by the use of other remedies, I soon found the Favorite Prescription was what I needed for I gained in strength and cheerfulness of spirit. I am now the mother of eleven children and during pregnancy I always take the Favorite Prescription and find it very helpful. To mothers and to other women who suffer I urge the use of Dr. Pierce's Favorite Prescription."

"I always keep a supply of Doctor Pierce's Pleasant Pellets for regulating the bowels." —Mrs. F. L. JOHNSON, 2229 Sixth Street, South.

Are Weak Nerves and Thin Blood Making a Failure Out of You?

Iron starvation of the blood weakens the will power, robs you of your bodily and mental vigor and often keeps you from making the money and success you should.

THERE ARE 30,000,000,000 RED BLOOD CORPUSCLES IN YOUR BLOOD AND EACH ONE MUST HAVE IRON.

When your blood is thin, pale and watery it loses its power to change food into living tissue, and NOTHING YOU CAN DO BUT GET THE PROPER AMOUNT OF GOOD IRON TO GET THE FULL STRENGTH OUT OF IT, and as a consequence you become feebly nervous, irritable and easily upset.

Also YOUR BRAIN BECOMES DULL AND HEAVY; your memory poor; your will-power weakened; you can't think right and you are no match for the fellow with a keen active powerful mind.

It's the "man of blood and iron"—THE STRONG, FORCEFUL, VIGOROUS FELLOWS that make the money and become the great captains of industry.

When you get up feeling tired in the morning, when you can no longer do your day's work without being all ragged out at night, when your digestion is all wrong, when you have pains in the back and your face looks pale and drawn, do not wait until you go all to pieces and collapse in your weakness, but contract some serious disease, but consult your physician and have him make a specimen of your blood and make a "blood count" of your red blood corpuscles. If you find you have a shortage, you are adding plenty of spinach, carrots, baked apples or other iron-containing fruits and vegetables to your daily food, and you are taking Nuxated Iron with them for a while.

And see how much your condition improves. Thousands of people have surprisingly increased their strength, energy and endurance in a few weeks time by this simple experiment. But in making this test be sure that the iron you take is organic iron and not metallic iron. Organic iron is like the iron in your blood and the iron in spinach, carrots and apples, while metallic iron is just as it comes from the action of strong acids on small pieces of iron. Organic iron is the name of NUXATED IRON. It is a substitute for the iron in the blood, and it is the only iron that can be absorbed by the human system. It is the only iron that is perfectly satisfactory results. At all druggists.

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "lousy" headache, tired, don't-know-what-to-do-matter feeling will be gone—you'll feel fine.

TROUBLE IS your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys; not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will not promptly, thoroughly, yet so mildly, so gently, that you will think nature has self has come to the rescue and is doing the work.

And, what a relief! You will be surprised to find how much better you feel—brighter, better every day. It is actually easier to get up in the morning, eat, and sleep. Each one of NR Tablets each night for a week. Then you'll not have to take medicine every day. Just a occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling your best.

Get a 25¢ Box

Nature's Remedy (NR Tablets) is Guaranteed to Give you Relief and is recommended by your druggist.

getable market has been fairly active
for the last few days, some ship-
ments being made on Monday by the
Farmers' Express and the Chicago &
J. Taylor. Good to choice steers
brought from 6 to 9 cents; yearling
fair to choice, from 6 to 8; helle-
fats, 4 to 5; calves, 4 to 5; helle-

**NEW JURY IS CALLED
IN ADAMS CASE**

A new jury will have to be drawn to try the suit of H. A. Von Oven, E. J. Holt banker, against H. W. Adams and W. S. Perigo as the result of a ruling by Judge George Grimm Tuesday. The litigation has been continued in a long tangle of legal red tape due to the cross-complaint filed by Attorney Adams against Perigo, although both are defendants.

The case started over \$200,000 amounting to \$3500 which A. M. gave to the Beloit banker after having been endorsed by Perrigo. The note is over-due according to first complaint. The cross-complaint seeks \$15,000 damages with A. M. as defendant and Perrigo as defendant over transactions dealing with the purchasing by Perrigo of Northwestern Moulding Sand Company. The case is expected to come to trial in the near future.

**WOOD PILE SUIT
HOTLY FOUGHT OUT
IN CIRCUIT COURT**

Trial of the \$18 wood pile suit Edward Atchisey against Arthur Geach, holding state Edgerton, v. cost Rock county approximately \$300 counting all court expenses. A verdict in the action is expected in the circuit court Tuesday, afternoon.

Attempts to settle the litigation Judge George Grimm were not successful.

While the amount of money involved is small, the justice cost judgment amounting to \$18, there

BOYS DIRECTOR BETTER
A. C. Preston, boys' secretary
the "Y" is reported as slightly
better although he is still confined to
home.
